ALERT REASON

Stolen plates (NCIC incomplete entry)

NARRATIVE SUMMARY

Auto writer Joel Feder and his wife were boxed in by four Plymouth PD squad cars at a Kohl's lot after Flock ALPR alerts on their Range Rover press loaner. Officers had tracked the car for days via Flock. Cause: a lost NJ manufacturer plate reported in California was entered into NCIC incomplete as 34 DTM (missing small middle digits); Feder's plate was 34 10 DTM, and Flock OCR also missed those characters. VIN clean; plate was lost not stolen; ~1 hour detention; hands on guns.
