Four asks for Mayor, Council, City Manager & Chief

1. Hold a public meeting on Flock locations, cost, sharing, and outcomes.
2. Publish a written data-use / search policy (retention, access, audits).
3. Require supervisor approval before every plate search.
4. Release a public camera map and add a sunset clause before any renewal.

How to use this page

- Print one-sided. Place in each council packet or hand to officials before the meeting.
- Pair with the 3-minute public comment outline on crossvilleprivacy.org.
- Renewal window to watch: August 26, 2026 (Q-00234 anniversary).
- Ask out loud: Where are the cameras? Who can search plates? When does this end?

One sentence for the record
Before any Flock renewal, Crossville should publish a camera map, adopt written search rules with supervisor approval, and set a sunset date voters can see.
